Dear Walter,

On behalf of the entire BASS 2011 Executive Board and Program Committee I want to thank you for the time and effort you put into presenting your workshop(s). Our regular BASS attendees and those who experienced BASS for the first time were all encouraged by the instruction **you** provided. Your participation helped us in providing workshops to equip those who are part of the church ministries in the Bay area and beyond. We were so grateful that God provided such a dynamic team of presenters. Many people left with greater enthusiasm in serving our wonderful Lord because of the workshops they attended.

Walter, it is our prayer that the Lord will continue to bless you in your ministry during the year ahead. I hope you enjoyed your ministry to BASS. We enjoyed having you part of our ministry. We invite you to keep up with BASS by visiting the website regularly at www.bassconvention.org

Sincerely,

Mary Larson,
