37th Annual United for Life Dinner - Saturday, April 4th, 2009

I want to thank the 37th Annual United for Life Dinner committee for allowing my wife to read my prayer by way of invocation. It is an honor to be on the same program as Vicki Evans and Dr. Raymond Dennehy. Both are very dear friends of mine whom I have learned so much from. I am truly in their debt. To the best of my recollection, I have not met Dr. Thomas Cavanaugh, however I hope to be free soon where I will have the opportunity, the pleasure and the privilege of meeting him. I also want to personally thank Maureen Bender for her love, her prayers and her moral support. She is a dear sister in Christ who I am blessed to have as a friend.

As we face the Dangers of Bio-technology and the challenges of Bio-ethics, it is my hope we will double and re-double our determination to act. Because what we do speaks louder and clearer than what we say.

Today as I look through the bars of my incarceration the Holy Spirit occupies my mind with three (3) thoughts

First, the words of Edmund Burke (**British Statesman, 1729-1797**) who said: "All that is necessary for the triumph of evil is for good men to do nothing."

Second, my thoughts turn to the testimony of Dr. Luke who wrote that Barnabas and Paul were "men who risked their lives for the name of our Lord Jesus Christ." (**Acts 15:26**)

Finally, I recall the words of Peter and the other Apostles who said: "We ought to obey God rather than men." (**Acts 5:29**). Truly if we love the Lord Jesus we must keep His commandments. (**John 14:15**)

As my love for all of you grows in my heart I want to earnestly encourage everyone to "be doers of the Word and not hearers only." (**James 1:22**)

Now let us pray:

"Bless us Oh Lord for these thy gifts we are about to receive from thy bounty through Jesus Christ our Lord and Savior. Amen."

Again, thank you and God bless you all!
