In Defense of Father Frank Pavone and Priests for Life

An open letter to all U.S. Catholic Bishops

The **Issues4life Foundation** is dedicated to protecting human life from the moment of our biological beginning as human organisms – regardless of the means by which they were procreated, method of reproduction, age, race, sex, gender, physical well-being, function, or condition of physical or mental dependency and/or disability. We work directly with Black American leaders nationwide to strengthen their stand against abortion.

This mission has by necessity afforded us the opportunity to work ecumenically side by side with the Roman Catholic Church in an effort of the highest rank to seek unity while at the same time rejecting any reconciliation brought about by compromise at the expense of the truth (John 14:6). In the spirit of unity within the Body of Christ, **Father Frank Pavone** has faithfully represented Christ and presented doctrine in a way that makes it understandable for all of us.

Father Frank Pavone has tirelessly worked to overcome the obstacles to perfect ecclesiastical communion where, all Christians will at last in a common celebration of the Eucharist, be gathered into the one and only Church in the divinely ordained unity that Christ bestowed on his Church from the beginning.

Father Frank Pavone is our friend and in his service to Christ, by way of the Priesthood, offering the Holy Sacrifice of the Mass, hearing confessions, and counseling, he has opened our eyes to see and our hearts to fall in love with the sublime beauty of the Catholic Church.

It is our deepest hope that Father Frank Pavone will at once be restored to his duties as the National Director, Priests for Life and Missionaries of the Gospel of Life in a full-time capacity.

Sincerely,

Walter B. Hoye II
