## “Serving This Present Age” Is Leadership In The Light Of Application

In this section of our presentation we will **apply biblical principals** to this present age. Biblical application is a step beyond simply learning about how to live our Christian faith. It is the actual practice of our Christian faith, using “biblically-based” non-negotiable principals. Plainly put, “Leadership from the Inside Out” is **Leadership in the light of application.**

**1st Timothy 4:12** says, “Be an example to all believers in what you say, in the way you live, in your love, your faith, and your purity.”
