OUR NON-VIOLENT PHILOSOPHY

Martin Luther King, Jr. once stated: **“Our methods will be that of persuasion, not coercion. Our actions must be guided by the deepest principles of our Christian faith. Love must be our regulating ideal.”** Like the marches of the Civil Rights movement in the 1960's we too are walking and praying. While we are walking and praying we shall not approach anyone or any occupied and/or non-occupied motor vehicle to engage in conversation or pass out literature. In the words of Martin Luther King, Jr.: **“Love is the only force capable of transforming an enemy into a friend.”** If you cannot remain calm and non-violent, please do not participate in our rally | walk or any of our events. Thank you in advance. – Issues4Life Foundation
