*“The bad blood of the South comes because the Negroes are Republicans. If they would only cease to be Republicans and vote the straight-out Democratic ticket there would be no trouble. Then the bad blood would sink entirely out of sight.”*

*“Place all citizens upon one broad platform; and if the Negro is not qualified to hoe his row in this contest of life, then let him go down. All we ask of this country is to put no barriers between us – to lay no stumbling blocks in our way, to give us freedom to accomplish our destiny ... DO THIS SIR AND WE SHALL ASK NOTHING MORE.”*

# Who is the Klu Klux Klan?

**FACT OF HISTORY:** Klan played a prominent role in Democratic Party

They Lynched Republicans - White as Well as Black

“The Klan terrorized Black Americans through murders and public floggings; relief was granted only if individuals promised not to vote for Republican tickets, and violation of this oath was punishable by death. Since the Klan targeted Republicans in general, it did not limit its violence simply to Black Republicans; White Republicans were also included.” Page 50
