

Song Groove (Abortion Papers) Lyrics – Michael Jackson – bit.ly/PhAcJb

Sister don't read, she'll never know
What about love?
Living a Christian soul
What do we get, she runs away
What about love?
What about all I pray

Don't know the worst, she knows a thief
What about life?
Living's just all I see
What do you care, things she will say
What about love?
That's all I pray

Those abortion papers
Signing your name against the Word of God
Those abortion papers
Think about life, I'd like to have my child

Sister confused, she went alone
What about love?
What about all I saw?
Biding a sigh, reading the words
Singing a song, citing a Bible verse

Father's confused, mother despair
Brother's in curse
What about all I've seen?
You know the lie, you came alone

Song Groove (Abortion Papers) Lyrics – Michael Jackson – bit.ly/PhAcJb

What about heart?
That's all I've known

Those abortion papers
Signing your name against the Word of God
Those abortion papers
Think about life, I'd like to have my child

Those abortion papers (Hoo!)
Signing your name against the Word of God
Those abortion papers
Think about life, I'd like to have my child

Look at my words, what do they say?
Look at my heart, burning is all heartbreak
What do you get?
What do you say?
What about love?
I feel my sin

Those abortion papers
Signing your name against the Word of God
Those abortion papers
Think about life, I'd like to have my child

Those abortion papers (Hoo!)
Think about life, I'd like to have my child

Who have the grateful?

Song Groove (Abortion Papers) Lyrics – Michael Jackson – bit.ly/PhAcJb

Where will she go?
What will she do, to keep her world?

Sister don't know, where would she go

What about love?
What about all I saw?
What will you get?
Don't be so confused
Love all the things
It's just the things I do

Those abortion papers
Signing your name against the Word of God

Those abortion papers
Think about life, I'd like to have my child

Those abortion papers
(Abortion paper)
(This paper) (Hee-Hee)

Those abortion papers (Hee Hee-Hee Hee Hee-Hee)
I'd like to have my child (Hee-Hee Hee Hee-Hee)

Those abortion papers
(Hee-Hee Hee Hee-Hee)
(Hee Hee-Hee Hee Hee)

Those abortion papers (Hee-Hee Hee Hee-Hee)
I'd like to have my child (Hee-Hee Hee Hee-Hee)
Those abortion papers (Hee-Hee Hee Hee-Hee)
(Hee-Hee Hee-Hee).
