FOR IMMEDIATE RELEASE

Issues4Life Foundation – California Supreme Court Foolishness Justifies Same Sex Marriages

Union City, CA (**ISSUES4LIFE FOUNDATION**) Monday, May 15th, 2008 – “Today The California Supreme Court ruled in favor of same sex marriages and in so doing turned its back on both the will of the people and clearly biblical teaching,” said Walter Hoye, President and Founder of the **Issues4Life Foundation**.

Hoye says, “The only way Californians can reverse this outrageous decision is by passing the ‘**ProtectMarriage.com**’ initiative in November and put the definition of marriage in the California state constitution. This will ensure that no judge, politician or special interest group interferes with the will of the people.”

Hoye goes on to say, “Currently 40% (percent) of children are born out of wedlock so it is clearly in the public interest to encourage people who engage in reproductive acts to marry since only those acts create new life without the staggering and tragic social consequences outside of marriage. By redefining and diluting the definition of marriage, the California Supreme Court has undermined the foundation of our society.”

Hoye continues by saying, “Strong biblical marriages are part of the answer to the horrifying numbers surrounding abortion in the African-American community. According to the **Alan Guttmacher Institute (AGI)** fact sheet entitled “Facts on Induced Abortion in the United States” dated January 2008, Black abortions totaled **683,294** or accounted for **56% of all legal abortions** in the United States in 2005.”

This percentage equates to the following:

- 56,941 Black babies were aborted every month**
- 13,140 Black babies were aborted every week**
- 1,871 Black babies were aborted every day**
- 78 Black babies were aborted every hour**
- 1.3 Black babies were aborted every minute**

Mr. Hoye concludes by challenging all Christian Leaders, (i.e., Pastors, Priest, Bishops, Rabbis, etc.), to install voter registration drives immediately, using these drives to inform the people of the clearly biblical definition of marriage between a single man and a single woman and the relationship between the impact of abortion in America and strong biblical marriages.
