Welcome to our Wedding Service

We, the bride and groom, are honored to have you as our guests today. We want you to share these happy and sacred moments with us as we, in the sight of God, are united together in marriage. We have come to this day with hearts bound by love of precious expectation, with minds overflowing with the anticipation of sharing life's problems together and soon our hands will be clasped to symbolize that we have freely and deliberately chosen each other as partners in this holy state.

We love each other because God has given each to the other. We pledge our abiding faithfulness throughout all our life together, constantly mindful of God's leading in our lives and in all things may He be glorified.

God does not lead us year by year

Nor even day by day.

But step by step our path unfolds

Our Lord directs our way.

Tomorrow's plans we do not know,

We only know this minute!

But He will say, "This is the way,

By faith now walk ye in it."

And we are glad that it is so;

Today is ours to share.

And when tomorrow comes, His grace

Shall far exceed its care.

What need to worry then or fret?

The God who gave His only Son

Holds all our moments in His hand

And gives them one by one.

It is our desire that Christ shall be honored, not only in this service but in the years to come. We want Him to be the head of our home and the Lord of our lives.
