# The Historical Reality of Abortion

The chart we're using shows the dramatic change in the **Minority|Black|White** share of U.S. Abortions since 1970, projected by veteran journalist, researcher and president of Movement for a Better America, Dennis Howard, using the data from the Alan Guttmacher Institute (AGI). AGI is the “**not so**” former research arm of Planned Parenthood.

Here's The Chart 

**S.A.F.E: Saving All Families Everywhere**

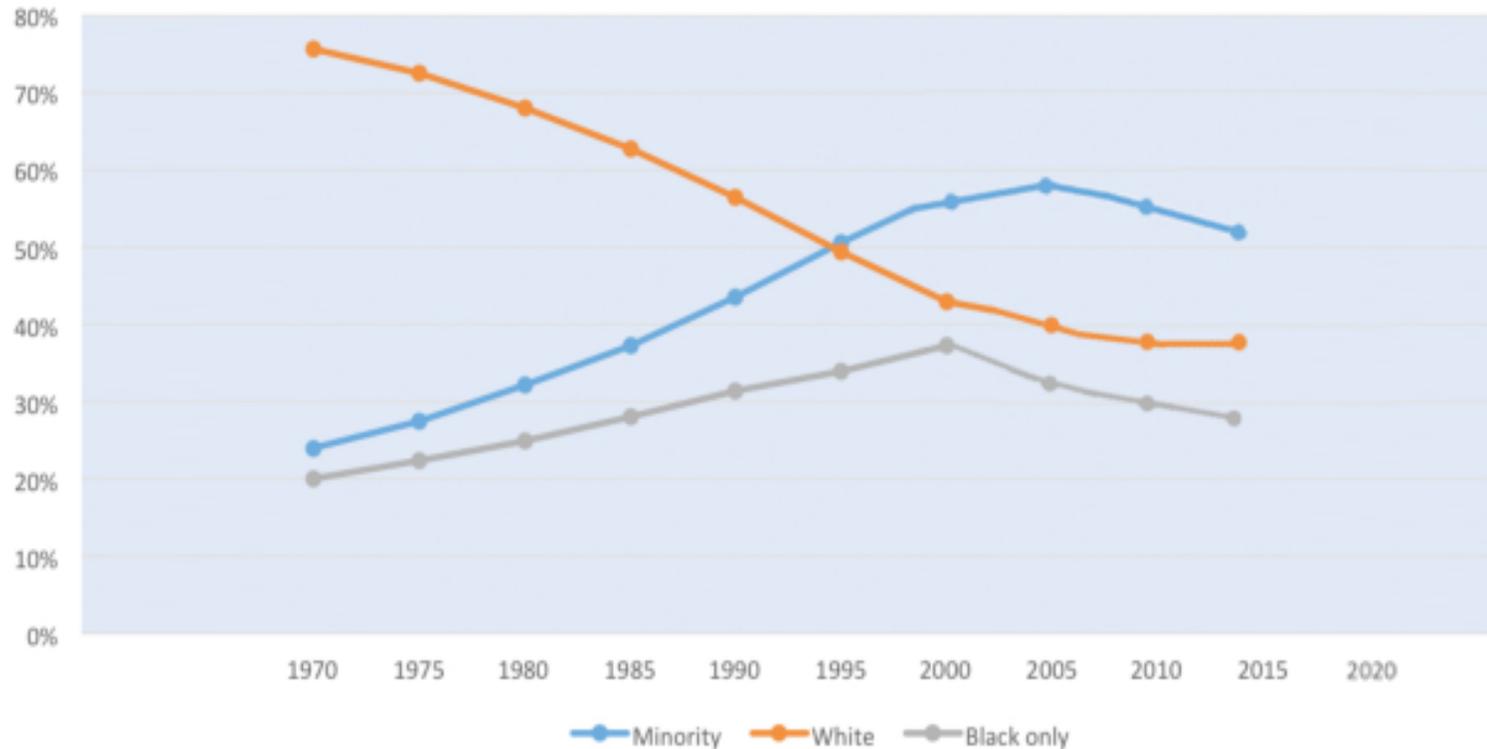

“Before I formed you in the womb I knew you; and before you came forth out of the womb I sanctified you, and I ordained you a prophet unto the nations.” - Jeremiah 1:5
